

Building Block Foundation Fund invites you to attend its Third Annual Celebration Event

BUILDING ON SUCCESS

In Orange County a large number of kids who have lived a life of abuse, poverty and neglect are often unable to make the difficult transition into society. Through Building Block Foundation Fund and supporting organizations such as KIDWORKS, Orangewood's Guardian Scholars, Project Access and Taller San Jose, deserving at-risk children are given hope, a chance for a better life and the means to succeed.

In appreciation of your support and in celebration of Orange County's youth . . .
Building Block Foundation Fund invites you to attend its Third Annual Celebration Event
